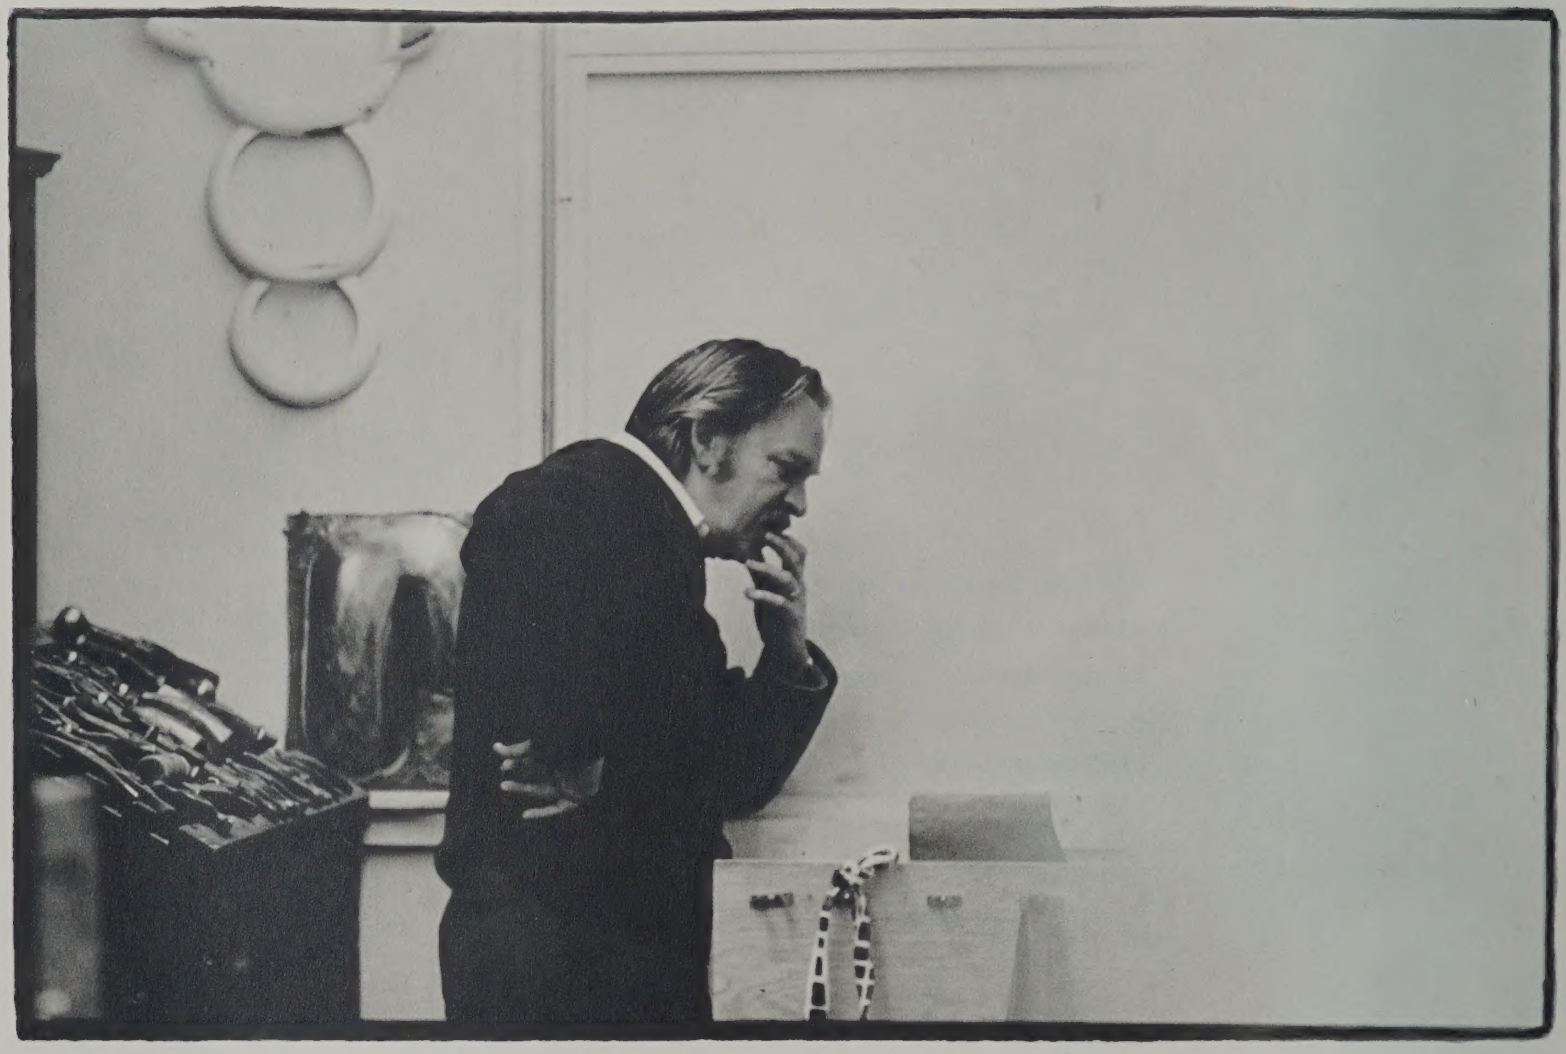
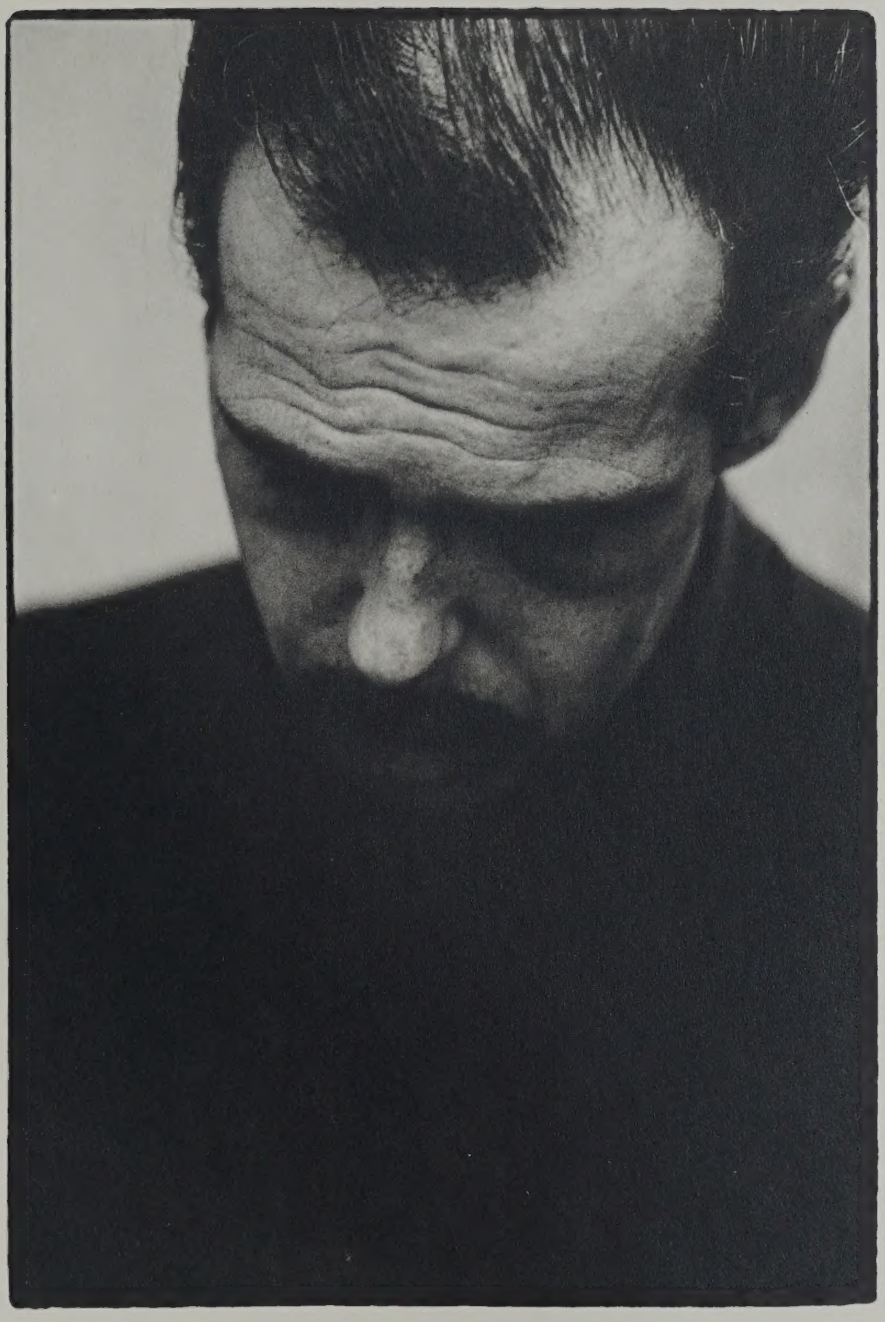
RHODE ISLAND SCHOOL OF DESIGN PROVIDENCE, RHODE ISLAND

We have among us two fighters. One is fighting for the Movement outside of the RISD community; the other is fighting for the movement within the school. Both are devoted men and have won the admiration and respect of all those people who have come in contact with them.





This book is dedicated to Art Wood and Harry Beckwith.

PRESIDENT TALBOT RANTOUL

"When I was young my teachers were the old.
I gave up fire for form till I was cold.
I suffered like a metal being cast.
I went to school to age to learn the past.

Now I am old my teachers are the young.
What can't be molded must be cracked and sprung.
I strain at lessons fit to start a suture.
I go to school to youth to learn the future."
